

ART FOUNDATION ANAGI

Society “AFA CREATIVE CAPITAL”

Creative Capital is an exclusive society for individuals and organizations driven by a profound passion for art, committed to advancing Georgian art and enhancing its cultural and economic value at home and abroad.

Members actively support Georgian art, elevating its presence in the world’s leading artistic and investment circles, strengthening its international recognition, and reinforcing its status as both a cultural and investment asset.

Membership offers more than shared goals. It establishes a privileged partnership with the Foundation, granting exceptional access to its spaces, programs, expertise, curated initiatives, and global networks. Members connect with leading figures in the art world and private collections, creating a unique platform for influence, engagement, and impact.

Together, we cultivate an ecosystem where Georgian art thrives as both cultural heritage and creative capital.

The ART Club Tbilisi Collector

Exclusive Services and Privileges for Collectors of Georgian Art

Designed for discerning private collectors, the club offers a bespoke framework for professionally managing collections while enhancing their cultural and investment value.
